Cavotec Australia gears up for AIMEX 2011

[Cavotec Australia](#) will be exhibiting at [Asia-Pacific's International Mining Exhibition](#) (AIMEX), which runs from 6-9 September 2011 at Sydney Showground, Sydney Olympic Park, NSW, Australia. You can visit us at **Stand: 2820**.

As specialists in electrical power feed systems, Cavotec Australia works directly with mining, port and harbour operations, as well as electrical and mechanical businesses nationwide. Cavotec Australia, based in Cardiff, NSW, is a strong and viable partner to industry through its strong understanding of the unique requirements of Australian conditions.

Held once every four years, and firmly established on the international mining industry calendar, AIMEX brings together more than 600 Australian and international suppliers of mining technology, equipment and services with mining industry buyers and specifiers from throughout the Asia-Pacific region.

We want to contribute to a future world that is cleaner, safer and more efficient by providing innovative connection solutions for ships, aircraft and mobile equipment today.
