Details of the trade fairs Cavotec will attend during the first two weeks in September

Cavotec is set for a busy month, exhibiting at several major trade shows in all our industry sectors including, [Airports](#), [Ports & Maritime](#), [Mining & Tunnelling](#) and [General Industry](#). You will find a number of highlights below. If you would like to arrange a meeting with us at any of these shows, please contact us.

Cavotec Russia will be present at the Kazanskaya Yarmarka Exhibition Center for the Oil, Gas & Petrochemistry 18th International Exhibition from 7th-9th

September. The aim of the exhibition includes the promotion of new technologies and equipment on the enterprises of the oil and chemical branch of the Volga region; expansion and strengthening of inter-regional and international business cooperation.

The 2011 AAPA Convention includes technical and policy committee meetings, business sessions and social networking opportunities for port professionals and others in the marine transportation industry. **Cavotec USA** will be among nearly 1,000 attendees from throughout the Americas will be in attendance.

Cavotec Deutschland GmbH will be at IUT '11 - the International Underground Construction and Tunneling Fair that takes place on 14th & 15th September at the in the unique "Fair Hall" of the Hagerbach Test Gallery in Sargans, Switzerland.

Cavotec will also be at Smart Rivers 2011 Conference in New Orleans. The aim of Smart Rivers 2011 Conference is to "Discover the Keys to Inland Navigation's Sustainable Future Around the World". Cavotec International and Cavotec USA will be present at this year's event, which runs from 13th – 16th September at Westin Canal Place in New Orleans.

We will post details of the trade shows Cavotec will attend in the second half of September shortly.

Cavotec is a leading cleantech company that designs and delivers connection and electrification solutions to enable the decarbonization of ports and industrial applications.
