Cavotec Launches New Investors Section

Cavotec has launched an updated Investors section on its website to provide a clearer and more intuitive experience for investors and stakeholders. The new section offers streamlined access to financial information, corporate governance, reports, and shareholder details.

This update marks the first step in a broader renewal of Cavotec.com aimed at improving navigation, design consistency, and content quality across the entire site.

Explore the new section here: <https://ir.cavotec.com/investors>

Cavotec is a leading engineering company with 50 years of heritage in innovation, designing and delivering advanced connection and electrification solutions that drive the decarbonisation of ports and industrial applications. With five decades of experience, our systems ensure safe, efficient, and sustainable operations for a diverse range of customers and applications worldwide.
